COMPANY OVERVIEW

Health & Safety Advisory Service Pty Ltd (#91141), established in 2004, provides high quality training & assessment solutions to meet the ongoing needs of government funded infrastructure projects in metropolitan Sydney and across regional areas of NSW. We recently achieved the prestigious *high scoring* status as a NSW Smart & Skilled (S&S) provider and deliver tailored skillsets, work readiness & pre-employment programs, together with full qualifications, traineeships & apprenticeships.

Our two modern campuses are located in Emu Plains at the foothills of the Blue Mountains and are fully equipped to deliver a range of specialist programs in: Demolition & asbestos licensing, civil construction & plant operations, water operations, HRW licensing, WHS, children's services and leadership & management.

We are proven VET leaders and work collaboratively with our workplace partners to achieve excellence in high quality training resource development and ongoing contextualised delivery roll out. Key clients include SafeWork NSW, Sydney Water, Transport NSW, CathWest, TransGrid, Ausgrid, CPB Contractors, John Holland Group, Acciona, Lendlease, Watpac, Downer, Laing O'Rourke, Gamuda, UGL and their associated sub-contractors, across a range of key rail, road, bridge, tunnel & airport infrastructure projects.

Over the past decade, HSAS has played a leading VET role across a range of Infrastructure Skills Legacy Projects (ISLPs), to assist contractors exceed their identified targets in construction trades & skills gap training.

A local partnership with CathWest, WCX, WTP & HSAS has established a most successful SBAT civil construction traineeship, which is now on offer to years 11-12. Secondary students attend training 1 day per/week, work on project 1 day per/week and attend school for the remaining 3 days per/week.

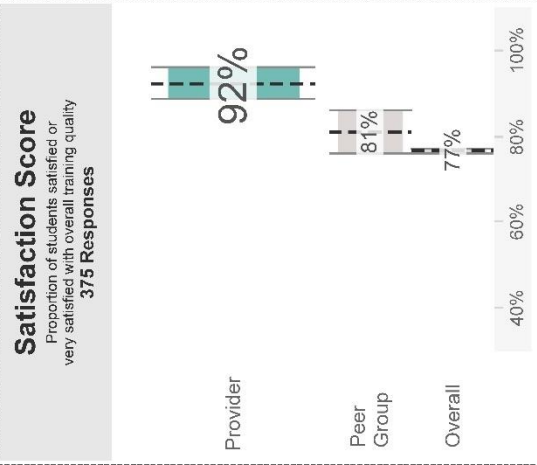

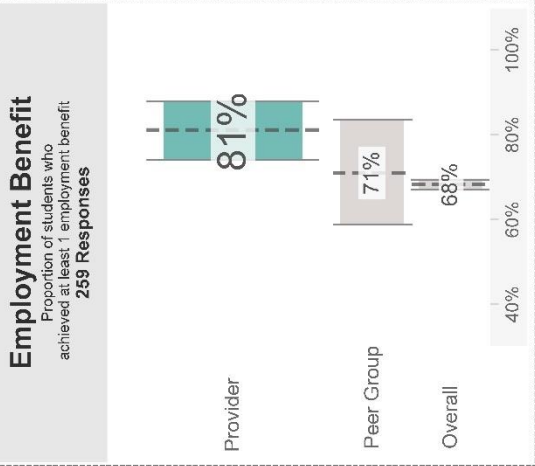

Recent infrastructure project collaboration has included training program initiatives supporting diversity, including age, gender & aboriginal participation.

HSAS is well positioned in Greater Western Sydney to focus energy & commitment on the emerging and diverse needs of future infrastructure projects. We strive to deliver *best-practice* & innovative solutions which will enhance the capacity & capability of the construction industry, as a legacy for future generations.

VET Student Outcomes Snapshots 2020

Health & Safety Advisory Service Pty Ltd

Non-dropout rates are based on the completion status of Smart & Skilled students who commenced in 2019. Performance indicators are based on the 2020 NSW VET Student Outcomes Survey.
