Certificate III in Demolition (CPC30426)

Take the first step towards a rewarding career in demolition with the **CPC30426 Certificate III in Demolition**. This qualification is tailored for those who want to work in the demolition of residential, commercial, and industrial structures, focusing on dismantling, recycling, and waste disposal. Whether you're aiming to become a demolition worker, plant operator, or team leader, this traineeship offers the hands-on training and industry insights you need to thrive.

Course Structure:	**20 units: 11 core units + 9 elective units**
Delivery Mode:	**In class + workplace/self-directed study**

New entrants are fully funded under the NSW Government Smart & Skilled Program. Existing workers will need to pay a commercial fee.
