State Demolition Nominated Supervisor Training, 2025

To meet state demolition licensing requirements, you must successfully complete nationally accredited training for eligibility to work as a nominated supervisor for a demolition licence holder. The regulator has recently updated unit selection from the Certificate III & Certificate IV in Demolition qualifications, and they are packaged as a skill set to meet the requirements of approved training. On successful completion of this skillset, you will be issued with a Statement of Attainment (SOA).

Price per person

$3,900

(GST Exempt)
